

PROFESSIONAL EXTENSION POLES AND ACCESSORIES

REA-C-H Home Maintenance System

Connect the threaded tip of a REA-C-H extension pole to your Duster, Brush or paint roller, and make high reach cleaning fast and easy.

Poly Duster

- Removes dust from any surface
- Flexible head and bristles work great on window blinds or any hard to reach area

Cobweb Brush

- Contoured shape and soft bristles remove dust and cobwebs from corners and baseboards
- Great for outdoor use
- Split tip bristles

HIGH REACH EXTENSION POLE

So many uses you'll wonder how you got by without one...

While many products promote themselves by talking about innovation and quality, Ettore doesn't offer talk - **they deliver results.**

The Ettore REA-C-H extension pole is stronger and 40% thicker than most other poles. Finally a high reach pole long enough to knock down wasp nests on 2nd story homes!

Tired of climbing ladders and stretching to reach cobwebs? Get your high reach pole today! **Call 951.924.4616**
